

**APPLICATION FOR THE TERMINATION OF AN DELIVERY ENTITLEMENT
FROM THE HAY PRIVATE IRRIGATION DISTRICT**
(Rule 12 Water Market Rules 2009, *Water Act 2007(Commonwealth)*)

This form is for the termination of an existing Delivery Entitlement within the Hay Private Irrigation
District Rule 12 of the Water Market Rules 2009.

Please note that a separate form must be completed for each individually registered Delivery Entitlement to be terminated. Thus multiple lots /properties with one property title requires one application form, properties with different titles require a separate application form and fee. By proceeding with this form you will be terminating in full or part your Delivery Entitlement and right to have that volume of water delivered. It is recommended that irrigators seek independent advice and obtain clarification from the Hay PID manager of any concerns or issues prior to terminating Delivery Entitlements.
